

BOOK LAUNCH

The latest book in the Missy Barrett Adventure series is celebrating with a book launch on Tuesday, August 30 from 5 PM to 6 PM at the Gatlinburg-Pigeon Forge Airport located at 134 Air Museum Way in Sevierville, Tennessee.

The event includes wonderful door prizes from places like WonderWorks and the Hard Rock Café, and goodie bags for the Missy Barrett fans. You'll even get to meet real live Waco biplane pilot, [Marc Hightower](#)!

What's the latest story all about?

The love of black-and-white movies, an interest in Amelia Earhart, and a taste for adventure take Missy somewhere she never expected to find herself. After all, it's not every day you get to fly in a 1927 Waco Straight wing biplane with an expert pilot. With help from her grandfather and Marc Hightower, Missy Barrett becomes a real live, modern day barnstormer!

Put a big red circle on your calendar around Tuesday, August 30 and join in the fun at 5 PM at the upcoming Missy Barrett Adventure book launch!
